11	Can you just clarify if the entire museum is moving into the Assize Court, or will you retain some functions in the current building?	We will retain part of the current site as a Collections Discovery Centre, which will include the library & archive. Any work linked to this is not included in this commission.	07/11/2023
12	Can we see your Round 1 application please?	A redacted version can be made available on request.	07/11/2023
13	Does the commission need to consider any public facing role of the existing museum building, including library / archive, or will all such roles be transferred to the Assize Court?	No. The existing museum building project is a separate development and will be part of a separate commission.	09/11/2023
14	Who will be preparing the Evaluation Plan?	An Evaluation Plan for the Delivery Phase will be developed inhouse with external consultant support	09/11/2023
15	Does your submission email have an attachment file size limit, or can we submit via WeTransfer if needed (our case study images can be quite large).	You can submit by WeTransfer. Please ensure you indicate this in a separate email to Nicola Trowell, Programme Manager: nicola.trowell@wiltshiremuseum.org.uk	09/11/2023
